

# Learn to play BRIDGE for just \$89, saving \$221!

JOIN the first beginners' course in Double Bay since the pandemic.

## Why learn bridge?

Bridge is fun. You and your partner work together to solve little puzzles. What better way to make new friends?

## Keeping sharp

Bridge is also a great way to keep your mind in shape. It is well known these days that mental stimulation helps to ward off dementia.

The teacher is **PAUL MARSTON**. He has won more than 50 national and international titles and he has long been Australia's leading bridge teacher. His books for new players have sold 550,000 copies.

The \$89 fee covers everything: (**\$310** of value!)

- Four 2-hour lessons - Tuesday 3, 10, 17, 24 October at 1:30 pm
- Practice sessions on Thursday 5, 12, 19 October at 10 am
- A copy of Paul Marston's book
- One-year membership

Offer ends Sunday 1 October.

Come along by yourself or bring a friend – either way is fine.
